

TARDY Policy

What?

- All students are expected to be in their 1st period class by 8:00AM
- All students are expected to be in their classes on time before the four minute passing bell rings.

Why?

- Entering after 8:04AM is considered a tardy and entering after the 4 min class bell is considered a tardy.
- Students who miss the first period lose a half days' worth of attendance per the state of Illinois.

Consequences:

1. A combination of 3 Tardies to School and Class equals 1 detention that will be assigned to be served the following day.
2. Failure to serve detention will result in a phone call home and detention will be rescheduled for the following day.
3. Failure to serve 2 consecutive detentions will result in a parent conference the following school day.
4. 20+ tardies (after served detention) will result in a mandatory parent conference.
5. If student fails to serve any of their assigned detentions, then further disciplinary consequences will be enforced.
